UCSI University

"What we learn from history is that people don't learn from history."

"Two super-contagious diseases, fear and greed, will forever occur in the investment community. The timing of these epidemics will be unpredictable. We simply attempt to be fearful when others are greedy and to be greedy only when others are fearful."

"No matter how great the talent or efforts, some things just take time. You can't produce a baby in one month by getting nine women pregnant."

"Never invest in a business you cannot understand."

"You don't need to be a rocket scientist. Investing is not a game where the guy with the 160 IQ beats the guy with 130 IQ."

"Whether we're talking about socks or stocks, I like buying quality merchandise when it is marked down."

"Most people get interested in stocks when everyone else is. The time to get interested is when no one else is. You can't buy what is popular and do well."

"Rule No. 1 is never lose money. Rule No.2 is never forget Rule No. 1."

"Do not save what is left after spending, but spend what is left after saving."

"You only have to do a very few things right in your life so long as you don't do too many things wrong."
